

SUGGESTED COURSE PATHWAY

Kinesiology Major Program

2009/2010
(May 27, 2010)

All of the lower division required courses should be completed within the first 60 credit hours of the degree. For the Phys. 8 credits you can take one of these three sets of Phys. courses: Phys. 101, 102, or Phys. 120, 121, or Phys. 140, 141.

Semester 1

BISC 101-4
CHEM 121-4
KIN 142-3
MATH 154-3 (or 151)

(14 credit hours)

Semester 2

CHEM 122-2
CHEM 281-4
MATH 155-3 (or 152)
PHYS 101-3 (or 120, 125, 140)
Elective-3 (perhaps Kin 143)

(15 credit hours)

Students following one of the two areas of concentration should also plan to include the following core courses as required for the specific concentration:

Active Health and Rehabilitation Concentration: KIN 110, KIN 140, KIN 143, KIN 241

Ergonomics and Human Factors Concentration: KIN 180

Please view www.sfu.ca/bpk for complete degree requirements, and contact kin_advisor@sfu.ca with any further questions. Course pathway is designed for students who have completed grade 12 Biology, Chemistry, Math and Physics. Grade 12 equivalent for Biology, Chemistry, Math and Physics are offered at SFU. It is the student's responsibility to plan and meet prerequisites for the BPK program.
