Test associated with our Assignment 1

Instructions
What to do to prepare ourselves for our test associated with Assignment 1?

- Do Assignment 1
Test Format

• Double-sided sheet
• 10 questions
  – Multiple Choice questions
Prior to do the Test

• When the instructor says *Let’s do the test!*

  - Place everything (bags, books, coats, calculators, computer, cell phones, etc…) under your seat

  - Keep *pencils* and *eraser* with you (no pens) and your *Scantron sheet*

  - Remember, Scantron sheets only work with *pencils*
At the Start of the Test

• When you receive the test, put the test under your scantron sheet and wait for the instruction to start writing

  Please, DO NOT start the test!

  - Why? If you start the test, it is unfair to all other students that have not yet receive a test

• When all students have received a test, you will be instructed to

  Please, you may start your test now!
During the Test

- Keep your eyes on your test and Scantron sheet - for obvious reason! 😊
At the End of the Test

- When you are told to
  Please, stop writing!
  please, do stop writing and hand in your
  scantron sheet as instructed
  - Why? If you continue writing, it is unfair to all
    other students that have stopped writing AND
    you will be penalized
At the End of the Test

• Pass your Scantron sheet down the row toward the aisle - The TA’s will pick them up

• You can keep the test
