CMPT 120

Feedback from Activity Done in Lecture 1
Activity

- **Goal:**
  - Discover the content of our course web site

- **How:**
  - By answering questions

- **Team:**
  - To be done in teams of 2 or 3

- **Result:**
  - Each team writes answers on 1 piece of paper
  - Along with the name of each team member
  - Team hands in piece of paper at end of lecture

- **Duration:**
  - 15 minutes
Activity

1. When does our very first lab session start this semester? -> Wed. May 17
2. Do we need to buy a textbook? -> No, we are using an online textbook: see Textbooks and Links
3. Where do we get a fob to gain access to CSIL? http://www.sfu.ca/computing/about/support/tips/door-access.html
4. If we have questions about the material of the course, what should we do? List 3 solutions.
   1. Ask questions during lectures
   2. Go to TA’s and/or instructor’s office hours
   3. Send questions to cmpt-120-help@sfu.ca
5. Can we get a C+ in this course if we get 30 out of 70 for the weighted average of our midterm and final? -> No: see Course Grading Scheme

Thank you very much for handing in your answers!
Activity

6. Where do we register our i-clicker for this course? 
   -> See i-clicker

7. In which room in CSIL will our lab sessions take place? 
   -> Either ASB 9804 or 9840 in CSIL: see Labs and Tutorials (May be different for each team member.)

8. Why do we have to frequently check our @sfu.ca email account? 
   -> Because the instructor sends broadcast emails to our @sfu.ca email address and we do not want to miss these broadcast emails
Activity

9. When and where are the instructor’s office hours?
   -> See Office Hours

10. Where will the description of our labs, tutorials and assignments be posted on our course site?
    -> See Assignments
