Weekly Exercise 2 - Feedback

- Marking criteria: Submission + complete header
- Lot’s of great programs! Thank you!

- Problems encountered:
  - Program did not load in Repl.it when clicked on link
  - What was submitted was not a proper Repl.it link
  - Syntax errors
  - No header or incomplete header
  - No algorithm/comments
  - Requirements not satisfied:
    - Program did not ask 3 questions
    - No if/elif/else in program
    - Chatbot did not use the user’s answer in its responses to the user
