Weekly Exercise 5 - Feedback

- **Marking criteria:**
- 1.0 mark
  - for a successful submission (a link that leads to a Repl.it program that runs)
- -0.5 marks
  - if you have not satisfied the requirement that asked you to use the starter program without modifying its structure (a while loop and 2 functions)
Weekly Exercise 5 - Feedback

- Feedback from the marker:

1. Some students did comment all their code. Yay! 😊
2. Some students didn't differentiate between algorithm (simple English statements) and code 😞
3. Some students didn't use any loop or while loop 😞
4. Majority of the students follow code standards. Yay! 😊
