

A Bibliography of Berber Language Materials

Kyra Jucovy and John Alderete
Swarthmore College, June 2001 (updated August 2006)

This bibliography is intended as a resource for research on Berber languages. The references below are primarily devoted to linguistic research on Berber languages, but the bibliography may be of use to those interested in Berber literature, poetry, and music. This bibliography was supported in part by the National Science Foundation (BCS-0104604).
