

The LearningOnline Network with CAPA

LON-CAPA loncapa.org

Developed by Educators for Educators

Sharing Interactive, Online,
Resources for Learning and Assessment,
across Institutions and Disciplines

This Free, Open-Source, Distributed, Learning Content
Management System...

- has one of the most powerful assessment engines available
- puts a large content library at your fingertips
- lets you use the same content in multiple ways
- has led the way in online learning and assessment since 1992

THE 10TH ANNUAL
