### PricewaterhouseCoopers (PwC) Hong Kong

Digital and UX designer

JAN - APR 2017

Designed and built web layouts for homepage and 30+ services and industries within the firm. Work closely with account servicing team to help deliver the layouts to partners and showcased how could layout drive content. Multiple iterations were made to ensure that the content are telling a story.

### PricewaterhouseCoopers (PwC) Hong Kong

Marketing assistant

SEPT - DEC 2016

Learned to communicate across different departments. Delivering under time pressure, as my job routine include daily update on the Hong Kong and China website. My main project was to work in a team of three to migrate 6000+ pages of html to a new design and a new CMS.

### Innovation Education Center China

UX + project manager

APR - DEC 2016

Work involve from designing posters and coding websites to managing events and projects. I learned that design process apply to not only design but also to work ethic.

### Eight hours design marathon (IECC) Beijing

Experience designer

JUNE 2015

Collaborated with the Chinese government to develop an event to expose students with innovative thinking.

### F1 in schools technology challenge (IECC)

Experience designer

JUNE - SEPT 2015

Collaborate with f1 in schools HQ to host the event in China for the first time.

### Spatial design charatte (SFU) Vancouver

UI + project manager

APR 2014

Had a great opportunity to work with a team of great designers and we came together from different background and skills. Collaborated and fought to deliver our content and came in 2nd.
