CONFERENCE PRESENTATIONS:

Keynote and Plenary Addresses:

- 2011 *Shadow bodies and how they make us human.* Opening Plenary address dedicated to the Intellectual Legacy of the Susan Leigh Star, Society for Social Studies of Science (4S) 2011 Annual Meeting. Cleveland, Ohio, November 2-5.
- 2011 *Mapping the Body Across Diverse Information Systems: Shadow Bodies and They Make Us Human.* Celebration of Leigh Star: Her Work and Intellectual Legacy. San Fransisco, California, September 9-10.
- 2009 *How do we get the message out to the public?* Public Health Association of BC Conference and Annual General Meeting. Action Towards Reducing Health Inequities. Vancouver BC, November 24, 2009.
- 2009 *Ghost charts, shadow records and patient handovers: Issues and challenges in creating and managing cross jurisdictional socio-technical infrastructures in health.* Infrastructures for Health Care Conference 2009. University of Copenhagen. Copenhagen, Denmark, June 18.
- 2009 *Mapping the body across diverse information systems: The anatomy of cross jurisdictional patient handovers. Borders, Boundaries and Thresholds of the Body (Invited speaker).* Centre for Research in the Arts, Social Sciences and Humanities. Cambridge, UK. June 12-13.
- 2008 *Socially Sound Solutions to Health Technology Decision Making.* 7th Annual IAS-STS Conference: Critical Issues in Science, Technology and Society Studies. Graz, Austria, May 8.
- 2007 *Seeing, being and knowing: Reflections on photography, ethnography and ways of knowing.* Plenary address, Society for Social Studies of Science (4S) 2007 Annual Meeting. Montreal, QC, October 10-13.
- 2006 *Will system architecture design women's health futures? Implications of computerizing health sector work for knowledge about women's health.* Keynote address, 2006 Gender and Science and Technology Association (GASAT) Conference: Challenging and Changing the Status Quo. Brighton, September 4-8.

Keynote and Plenary Addresses, cont.:

- 2006 *Setting the context for social shaping: institutional technology assessment.* Keynote address, 5th Annual IAS-STIS Conference: Critical Issues in Science and Technology Studies. Graz, Austria, May 25-27.
- 2002 *International perspectives on women's information.* Plenary panel, National Women's Education Centre. Saitama, Japan, October 13.
- 2001 *Democratic empowerment through IT for women?* Commentator of keynote, ITech and Women Conference. Vienna, October 23.
- 2001 *Gendered technology, gendered skill, gendered talk or a sexist world? Reflections on gender and skill.* Commentator on Keynote, ITech and Women Conference. City Hall, Vienna, October 23.
- 2001 *Tidying up loose ends: Theoretical and practical issues related to women's participation in technological design.* Plenary speaker, International Summer Academy on Technology Studies: User Involvement in Technological Innovation. Deutschlandsberg, Austria, July 13.
- 2000 *The gendering of job mobility in Atlantic Canada.* Keynote address, Union for Radical Political Economists. Bantam, CT, August 20.
- 1999 *Recipe for new directions in communications research: Take one feminist, add an interest in the social aspects of computing and shake; finally, stir with communications as an area of study and serve.* Keynote address, Australia and New Zealand Communications Association Annual Conference: Stirred not Shaken? Communication Challenges and Change. University of Western Sydney, Parramatta, Australia, July 5-7.
- 1997 *Reflections on the use of new communication technologies in curriculum development.* Keynote address (Roundtable discussion), The First Annual Symposium on Innovative Teaching. Simon Fraser University, Burnaby, BC, September 30.
- 1993 *North American perspectives on women and technological change.* Part of keynote panel, Learning from Past Experiences: Fifth International Interdisciplinary Conference on Women. San Jose, Costa Rica, February 23.

International and International Organizations Held in Canada:

- 2012 *Promises and practices: Press, pennies and power in Canada's genomics sector.* Meeting of the Society for Social Studies of Science (4S) and European Association for the Social Studies of Science (EASST) Annual Meeting, 2012. Copenhagen, Denmark, October 17 - 20.
- 2012 *Gender Based Analyses of Communication Technology Applications: Implications for Women's Development.* Sino-Canadian International Academic Forum, Communication University of China, Beijing, China. July 3.
- 2011 *The technology of art and art of technology: Exploring the materiality of technology through art.* Society for Social Studies of Science (4S) Annual Meeting, 2011. Cleveland, Ohio, November 3.
- 2011 *Artistic experimentation and tacit knowledge: Applying insights from visual art practices to the study of large scale computer infrastructures.* National Institute for Experimental Arts Experimental Arts Conference. College of Fine Arts, University of New South Wales, Sydney, Australia. August 2.
- 2011 *Mapping the body across diverse information systems: Shadow bodies and they make us human.* Celebration of Leigh Star: Her Work and Intellectual Legacy. San Francisco, September 9th-10th.
- 2011 *Building a trauma registry for low and middle income countries: Insights about globalization and the challenges of achieving infrastructures in healthcare.* Infrastructures for Healthcare (InfraHealth) 2011. IT University of Copenhagen, Denmark, June 23-24.

International and International Organizations Held in Canada, cont:

- 2010 *Explorations in performativity and enactment: Ethnography and art as subjects of inquiry for STS*. European Association for the Study of Science and Technology (EASST) Conference, 2010. Practicing science and technology, performing the social. Trento, Italy, September 2-4.
- 2010 *Ghost charts and shadow records: Implication for system design*. 13th World Congress on Medical and Health Informatics (Medinfo 2010). Cape Town International Convention Centre, Cape Town, South Africa, September 12-15.
- 2010 *Socio-technical challenges in implementing safe patient handovers in care*. IT in Health Care: Socio-technical Approaches, Fourth International Conference (ITHC 2010), Aalborg, Denmark, June 22-24.
- 2009 *Dreams of a common infrastructure: STS perspectives on building infrastructure to support safe handovers in care*. Society for Social Studies of Science (4S) Annual Meeting, 2009. Washington, DC, October 29.

Conference Presentations, International and International Organizations Held in Canada, cont.:

- 2009 *The artful characteristics of infrastructure*. Infrastructures for Health Care Conference 2009. University of Copenhagen. Copenhagen, Denmark, June 19.
- 2009 *Health sector IT and the production of gender*. Presentation in Theme Session, Women in a Digital World: Conceptual Models of Inclusion. 59th Annual International Communication Association Conference, Chicago, Illinois, May 21-25.
- 2008 *What to do when you've been made an offer you can't refuse: What participatory design and F/LOSS (Free/Libre and/or Open Source Software) have to teach each other about the corporate embrace*. Invited panelist, Participatory Design Conference, (PDC '08: Experiences and Challenges). Bloomington, Indiana, October 1-4.
- 2008 (with P. Bjorn & I. Wagner). *Steps toward a typology for health informatics*. Computer Supported Cooperative Work Conference 2008 (CSCW '08). San Diego, CA, November 8-12. **Received Best Paper Award.**
- 2008 *Discussant for session titled Performing legitimacy and efficiency – Accountability (infra)structures as reinvention of democracy?* Society for Social Studies of Science (4S) & European Association for the Study of Science and Technology (EASST) Conference 2008. Acting with Science, Technology and Medicine. Rotterdam, August 20-23.
- 2008 *Acting with care? Tales from the interventionist trenches in Canadian telehealth*. Society for Social Studies of Science (4S) & European Association for the Study of Science and Technology (EASST) Conference 2008. Acting with Science, Technology and Medicine. Rotterdam, August 20-23.
- 2007 *Barky cough, stridor, asthma or croup: Computerization of triage and the struggle over ways of knowing*. Society for Social Studies of Science (4S) 2007 Annual Meeting. Montreal, QC, October 10-13.
- 2007 (with P. Bjorn) *Health care categories have politics too: Unpacking the managerial agendas of electronic triage systems*. 10th European Conference on Computer Supported Cooperative Work (ECSCW 2007). Limerick, Ireland, September 24-28.
- 2007 *Whose work practice? Situating an electronic triage system within a complex system*. 3rd International Conference on Information Technology in Health Care: Socio-technical Approaches. Sydney, Australia, August 20-24.
- 2007 (with I. Wagner) *Using fieldwork in analyzing ethical issues related to IT in health care*. MEDINFO 2007: 12th World Congress on Health (Medical) Informatics. Brisbane, Australia, August 28-30.
- 2007 (with P. Bjorn) *Technology transforms the space for knowledge acquisition*. ED-Media, World Conference on Educational Multimedia, Hypermedia and Telecommunication, Vancouver, Canada, June 25-29.

International and International Organizations Held in Canada, cont:

- 2007 *University-health sector partnerships: Working to influence policy and practice through research.* Information, Communication and Technology in Health Care: An International Research Connections Workshop. University of Brighton (Alias Seattle Hotel), UK, June 4-5.
- 2007 *How do we define for whom the bell curves? Measuring ethnicity in Canada.* For Whom the Bell Curves: Statistics as a Boundary Object between Science and the State. Workshop held at NTNU, Trondheim, Norway, May 14-16.
- 2007 *Health system indicators as boundary objects: Statistics and the state in Canadian healthcare.* For Whom the Bell Curves: Statistics as a Boundary Object between Science and the State. Workshop held at NTNU, Trondheim, Norway, May 14-16.
- 2006 *Sorting, sending and allocating: Indicators as a secondary ordering system in hospital triage work.* Workshop on 'Ordering systems.' IT University of Copenhagen, Denmark, December 6-8.
- 2006 *Making things work: Dimensions of configurability as appropriation work.* Computer Supported Cooperative Work Conference 2006 (CSCW '06). Banff, Alberta. November 4-8. **Received Honourable Mention for Best Paper.**
- 2006 *Science, technology and society research in action: The challenges of bringing STS research to action in health care and corporate settings.* Society for Social Studies of Science (4S) 2006 Annual Meeting. Vancouver, BC, November 1-5.
- 2006 *Inside the belly of the beast: The challenges and successes of a reformist participatory agenda.* 2006 Participatory Design Conference (PDC '06): Expanding Boundaries in Design. Trento, Italy, August 1-5.
- 2006 *Alt.metadata.health: Ontological context for data use and integration.* Alpine Ski Seminar on Information Systems (AL-PIS '06). Trento, Italy, February 10-15.
- 2005 *Measurement madness? Building national health indicators in Canada.* Society for Social Studies of Science (4S) Annual Meeting. Pasadena, California. September 20-22.
- 2005 *Interoperability of eHealth systems: Discovering or domesticating the 'odd' artefact?* Society for Social Studies of Science (4S) Annual Conference. Pasadena, California. September 20-22.
- 2005 *Socio-technical challenges in constructing continuity of care: Reflections on two system development projects.* Continuity of Care Workshop, September 28. Held in conjunction with HelseInformatikkulal (HelsIT). Trondheim, September 26-30.
- 2005 *The production of health indicators as computer supported cooperative work: Reflections on the multiple roles of electronic health records.* Reconfiguring Healthcare: Issues in Computer Supported Cooperative Work in Healthcare Environments. Workshop Organized by Ellen Balka & Ina Wagner. 9th European Computer Supported Cooperative Work Conference (ECSCW 2005). Paris, September 19.
- 2005 (with Ina Wagner) *Reconfiguring critical computing in an era of configurability.* Forth Decennial Aarhus Conference: Critical Computing- Between Sense and Sensibility. Aarhus, Denmark. August 20-24.
- 2005 *A tale of two cultures: Explorations in the meaning of culture in ethnographic research in information systems.* Human-Computer Interaction (HCI) International 2005, 11th International Conference on Human Computer Interaction. Las Vegas, Nevada, July 22-27.
- 2005 *Disparate interests, common goals? Moving an action-oriented health technology assessment agenda forward in Canada.* Practices of Assessment and Intervention in Action-Oriented Science and Technology Studies (18 pp.). Workshop Organized by Casper Bruun Jensen & Teun Zuiderent-Jerak. April 25-26.
- 2004 (with N. Kahnamoui & K. Nutland) *Who's in charge of patient safety? Work practice, work processes and utopian views of automatic drug dispensing systems.* Second International Conference on Technology in Healthcare: To Err is System. Portland, Oregon, September 13-14.

International and International Organizations Held in Canada, cont:

- 2004 (with M. Doyle-Waters, D. Lecznarowicz & J.M. FitzGerald) *Technology, governance and patient safety: Systems issues in technology and patient safety*. Second International Conference on Technology in Healthcare: To Err is System. Portland, Oregon, September 13–14.
- 2004 (with P. Feng) *Examining the role of standards in Canadian health care policy*. Society for Social Studies of Science (4S) & European Association for the Study of Science and Technology (EASST) Conference 2004. Public Proofs – Science, Technology and Democracy. Paris, August 25–28.
- 2004 (with N. Kahnamoui) *Mid-Main meets the electronic patient record: Socio-technical aspects of an EPR implementation at a community clinic*. Society for Social Studies of Science (4S) & European Association for the Study of Science and Technology (EASST) Conference 2004. Public Proofs – Science, Technology and Democracy. Paris, August 25–28.
- 2004 (with N. Kahnamoui) *Technology trouble? Talk to us: Findings from an ethnographic field study*. 2004 Participatory Design Conference (PDC '04): Artful Integration: Interweaving Media, Materials and Practices. Toronto, ON, July 27–31.
- 2003 (with N. Kahnamoui) *Technology trouble? Talk to us: Findings from an ethnographic field study of new technology implementation at a Canadian hospital*. Society for Social Studies of Science (4S) Annual Meeting. Atlanta, Georgia, October 18.
- 2003 *The borderlands of the digital divide: Reassessing the concept*. Panel presentation (theme session), International Communication Association. San Diego, CA, May 24.
- 2002 *The sex of skill: The intersection of sex, gender and skill in participatory technology design projects*. Technology Studies in Perspective: An International Synopsis. Institute for Advanced Studies on Science, Technology and Society, Graz, Austria, November 15.
- 2002 *Information and communication technology and women's changing work: Frameworks for understanding change*. National Women's Education Centre. Saitama, Japan, October 12.
- 2001 *Getting the big picture: The macro-politics of information system development in a Canadian hospital*. International Conference IT in Health Care: Socio-technical Approaches. Rotterdam, the Netherlands, September 6-7.
- 2001 *Moving from chaos to socially aware technology design: Reflections on the courtship of theory and praxis*. Joint Workshop, Institute for Advanced Studies on Science, Technology and Society, Graz, Austria; Inter-University Research Centre for Technology, Work and Culture (IFZ), Graz, Austria; and Virginia Polytechnical Institute and State University, Blacksburg, VA, June 7-8.
- 2000 *New Brunswick: The call centre capital of North America*. Where in the World? E-work Location in a Digital Global Economy. Budapest, Hungary, October 24-25.
