

# Mathematics/Statistics/ Physics/Computing Science Tutor for University and High School **In Person** **(\$30/hour)**

**Are you struggling with your course(s)? Struggle No More!**

Hello, I'm currently a PhD. student in Mathematics at SFU. I recently graduated from a master's degree in Math at SFU with 4.10+/4.33 GPA. I did my BSc. in computer science and math at UVic. I earned an A+ in all Mathematics and Statistics courses. I am a passionate tutor with flexible hours and I'm happy to help you succeed.

I am proficient in the following programming languages: Java, C, C++, Python, Ruby. I can also assist with the web development languages: HTML, JavaScript, CSS, NodeJS, PHP, Typescript.

My mathematical strengths include Calculus, Statistics, Probability, Logic, Discrete Math, Linear Algebra, Number Theory, and more...

SFU courses I can assist with include, but **not limited** to,

- **MATH** 100,150,151,152,154,155,157,158,208W,232,240,242,251,252,254,308,309,310
- **MACM** 101,201,203,204,300
- **STAT** 203,205,260,270,285,330,450
- **PHYS** 100,101
- **CMPT** 120,125,126,130,135,213,225,275,276,307,373

I can also help with these High School subjects: Math: all grades; Physics: grade 11 and 12; and AP/IB Calculus, Physics, Statistics.

Results guaranteed! please email (via QR code) or call/text [250-812-9618](tel:250-812-9618).

For the **fastest reply**, **text messaging** is the best way to contact me.

\* I *refuse* to assist in any way that *violates academic integrity*.
