

(PhD.) Mathematics Tutor for **University** and High School **In Person** (\$30/hour)

Are you struggling with your MATH course(s)? Struggle No More!

Hello, I'm currently a PhD. student in Mathematics at SFU. I recently graduated from a master's degree in Math at SFU with 4.10+/4.33 GPA. I did my BSc. in computer science and math at UVic. I earned an A+ in all Mathematics and Statistics courses. I am a passionate tutor with flexible hours and I'm happy to help you succeed.

My mathematical strengths include Calculus, Statistics, Probability, Logic, Discrete Math, Linear Algebra, Number Theory, Real/Complex analysis, Topology, Abstract algebra and more...

SFU MATH/MACM courses I can assist with include, but **not limited** to,

- **MATH** 100, 150, 151, 152, 154, 155, 157, 158, 208W, 232, 240, 242, 251, 252, 254, 260, 308, 309, 320, 322, 338, 340, 341, 342, 343, 440, 450
- **MACM** 101, 201, 203, 204, 300
- **FAN X99**

I can also help with these **high school** subjects:

- **Math:** all grades;
- **Physics:** grade 11 and 12;
- **AP/IB:** Calculus, Statistics, Physics.

Results guaranteed! please email(via QR Code) or call/text [250-812-9618](tel:250-812-9618).

For the **fastest reply**, **text messaging** is the best way to contact me.

* I *refuse* to assist in any way that *violates academic integrity*.
