

# (PhD.) Mathematics Tutor for **University** and High School **Online or In Person** (\$30/hour)

**Are you struggling with your MATH course(s)?** **Struggle No More!**

Hello, I'm currently a PhD. student in Mathematics at SFU. I recently graduated from a master's degree in Math at SFU with 4.10+/4.33 GPA. I did my BSc. in computer science and math at UVic. I earned an A+ in all Mathematics and Statistics courses. I am a passionate tutor with flexible hours and I'm happy to help you succeed.

My mathematical strengths include Calculus, Statistics, Probability, Logic, Discrete Math, Linear Algebra, Number Theory, Real/Complex analysis, Topology, Abstract algebra and more...

**UBC MATH** courses I can assist with include, but **not limited** to,

- **MATH** 100, 101, 102, 103, 104, 105, 110, 120, 121, 152, 180, 184
- **MATH** 200, 215, 217, 220, 221, 223, 226, 227, 230, 253, 254, 255, 256
- **MATH** 300, 302, 307, 308, 310, 312, 313, 319, 320, 321, 322, 323, 335, 340, 341, 342

I can also help with these High School subjects: Math: all grades; Physics: grade 11 and 12; and AP/IB: Calculus, Physics, Statistics.

Results guaranteed! please email(via QR Code) or call/text.

For the **fastest reply**, **text messaging** is the best way to contact me.

\* Online meetings are held via Zoom.

\* I *refuse* to assist in any way that *violates academic integrity*.
