

PHILOSOPHY 210

(PELLETIER, Fall 2007)

Assignment #4

Directions: Answer all questions. This HW is worth 8-1/3% of your grade.

The HW is due *in class* (beginning) on 2 November (Friday). No late assignments -- if you are not finished, turn in what you have for partial marks. I would appreciate it very much if you would do your work independently. Write neatly, staple your pages together, and please put your **name and student ID** on the HW.

This homework is taken from Bergmann, Moor, and Nelson.
