#### **Research teams**

2020-2021 Tackling the Carbon Footprint of Streaming Media

1. The Small File Media Festival, to raise awareness about the carbon footprint of streaming media and demonstrate the attractiveness of small files that use less energy.
2. In collaboration with SFU IT Engineering professor Stephen Makonin, a project to raise awareness about the carbon footprint of streaming media, including by translating engineering publications into lay language. Funded by my 2020 SSHRC Grant, Living within the Earth's Carrying Capacity

2020- Associate Investigator, Computational Sustainability Lab, directed by Stephen Makonin  
<https://compsust.fas.sfu.ca/>

2017- Substantial Motion Research Network, an international network of about 60 artists and scholars, co-founded with Dr. Azadeh Emadi (University of Glasgow). Network members meet monthly to discuss works in progress and subjects of common interest. We publish our collective activities and collaborate privately through our site [substantialmotion.org](http://substantialmotion.org). We produce podcasts on our channel at Creative Disturbance. We are planning a symposium and exhibition in Vancouver for June 2022, to be followed by publications. Funded by my 2016 and 2021 SSHRC Insight Grants.
