

STAT 270 Lecture 1
Fall 2015
9 September 2015

- We covered web notes on “Introduction”.
- We covered slides 1-8 of “Descriptive Statistics”.
- You should be reading the text. Chapters 1 and 2.
- We covered up to Chapter 2.3.1.
- Next class I will do Chapter 2 through Section 3 if possible. Please read that material in advance.
- You should review (and do as many as possible of) Questions 2.1 to 2.19.
- Handwritten slides.
- Key ideas, jargon:
 - Dotplot, histogram.
 - Measures of centre or location: mean, median.
 - Quartiles, percentiles.
 - Order statistics.
