

STAT 270 Lecture 26
Fall 2015
9 November 2015

- I discussed joint densities.
- I did a few double integrals.
- I described the relation between joint and marginal densities.
- I am up to page 102 in the text.
- I have finished slide 73 of “Continuous Distributions”.
- Problems in text: 5.25, 5.26, 5.27.
- Handwritten slides.
