Social Entrepreneurship Program

YWiB
build your story... SFU

The Program at a glance...

- This **6-month program** provides participants with the opportunity to bring their passion for social entrepreneurship to life
- Each **team** will consist of **3-4** participants who will create their own **social entrepreneurship project** and will be provided advice and support from an outstanding mentor
- It is a great chance to **learn** and **develop** the **skills** needed to create a strong social entrepreneurship project, while meeting industry experts in the field and other ambitious and passionate participants

Benefits as a Program participant

- Opportunity to work with industry experts in the form of team mentors
- Access to connections with well-established organizations looking for new ideas
- Present your project to a panel of industry experts and establish your own organization

Applications are due by **Sunday, Sept. 25.**
(due at noon)
