STEP 1.

Shape a group of 2 sitting beside each other.
Each group will be given one picture.

STEP 2.

Each group will have 5 minutes to discuss with their team members about how they can make this image looks like a live moving image. (Circle the parts and add notes)

STEP 3.

At the end, you will show the students an example of this image with an integration of motion effects. See the movie file in the same folder (Motion effects Example.mp4).
