SPECIAL AUDIT APPLICATION FORM

Am I eligible for Special Audit?

Special Audit is designed for non-SFU members of the public who wish to take undergraduate courses for personal or professional interest (not for credit). If you are a current or former SFU credit student interested in auditing a course, you must enroll in regular Audit, as per the Course Audit section of the SFU Calendar (www.sfu.ca/calendar). Please refer to the Registrar and Information Services office for further details on how to audit courses as an SFU student.

*Note: Not all university courses are available for Special Audit. Instructors should be contacted during the first week of classes to determine whether their course is available to Special Audit students. Instructors may limit the number of Special Audit students they are willing to accept. Business Administration, Computing Science, and Education courses cannot be taken on a Special Audit basis.*

How to Become a Special Audit Student

1. Attend the first week of classes to introduce yourself to the instructor and request permission to Special Audit the class. Instructors cannot grant approval until the second week of class as credit students have seat priority.

2. During the second week of classes, present your completed “Special Audit Application Form” to the instructor for their signature.

3. Once the form has been signed by the Instructor, pay the appropriate registration fees and send a copy of your receipt and completed form to icsinfo@sfu.ca.

Cancellation Policy

If you have decided to withdraw from a Special Audit course, please notify icsinfo@sfu.ca so we can update our records.

*Fees are non-refundable*

Please note: A T2202A will not be issued for courses taken through Special Audit. Please contact the CRA for further information and to determine your eligibility for any tuition benefits.

Payment

Please bring this completed form together with debit or cheque (made payable to SFU) to one of these locations:
