CONTINUING 1.0 FTE SECONDARY MATH/SCIENCE TEACHER
KYUQUOT ELEMENTARY SECONDARY SCHOOL
Effective September 1, 2019

An adventure, a stimulating professional experience and the gratitude of the parents and students of this isolated community await you.

We are a welcoming progressive staff of six professionals looking for a Math Science teacher to “round us out”. Our school has experienced a “renaissance” of late and lots of great things are happening. The students are thirsting for a caring educator to help them continue on their path if academic and personal growth.

Come live in one of the district-provided “teacherages” (homes for teaching staff), and work in a situation virtually guaranteed to provide extraordinary professional satisfaction. A one-minute walk is your daily commute!

And while you’re at it, experience ocean activities (fishing, canoeing, kayaking), the unparalleled beauty of the Kyuquot area, the protected bay, the archipelago, proximity to the renowned Brookes Peninsula and Bunsby Islands, and our expansive and professional quality school Fitness and Health facility.

This assignment is one you’ll never forget ~ Call principal, Marty Szetela, 250 515-6354 for more information.

Teaching assignment may include, but may not be limited to:

- Mathematics 8 – 11, Science 8 – 10, and a grade 11 Science (Biology, Earth Science, or Chemistry, depending on background and skills of incumbent)

The successful candidate will:

- Demonstrate a deep knowledge of the Provincial Math and Science curriculum;
- Design instruction for student success in multi-graded class configurations;
- Provide a welcoming, safe, learning environment;
- Communicate through words and actions that he/she cares about each student as a person;
- Individualize instruction as needed;
- In collaboration with the School-Based Team adapt and modify materials for student success;
- Use computer-assisted and on-line learning when needed;
- Contribute to the school’s renewed emphasis on high standards and expectations in both academic a behaviour;
- Incorporate a wide range of effective classroom management strategies that are firm, fair, compassionate and maintain the dignity of students;
- Motivate and inspire students to set goals for personal and academic success and dream about exciting futures;
- In collaboration with the Learning Resource teacher, effectively use student IEP’s in instruction and assessment;
- Have the skills and commitment to effectively support district and school goals to improve the success of First Nations students;
- Contribute to our professional team to promote a variety of school initiatives aimed at continuous school improvement;
- Be physically capable to perform the duties of this position.

Preferred Qualifications:

- BC Certified with the Teacher Qualification Branch with qualifications and experience at the secondary level with a major in Mathematics or Science;
- Successful experience in supporting individual student learning in a multi-grade classroom.

Inquiries can be directed to the Principal, Marty Szetela at his summer number, 250-515-6354 (c).

Interested applicants should submit a letter of application, resume, references, teaching credentials, and transcripts to:
