Autism EA/Tutor Wanted:

Required in the neighborhood of Central Surrey to work with a 7-year-old girl who has Autism. She loves music, being physically active and water play. Given her interest in music and her ability to imitate vocal pitches, we would love someone who is comfortable singing. You should be able to work independently following guidance and goals built by an extensive consulting team, including Family members, Behaviour Consultant, Speech and Language Pathologist, Occupational Therapist and Physiotherapist.

Goals for this year will focus on communication, self-care skills and ensuring she is having fun!

Hours are 6-9hr per week, ideally in the morning, but the family is flexible on the days/times. Pay is commensurate with experience. Training will be provided.

Applicants must:

- Must be able to play, be creative, be silly and able to multitask- including data collection on her goals
- Be responsible and energetic
- Experience working with young children with Autism required
- Be at least 19 years old
- Have a clear criminal record check
- Have reliable transportation
- Be available to attend team meetings
- Make a minimum commitment to the end of June 2020 (or disclose the time commitment you can make at interview)
- Understanding of Spanish would be an asset but is not a requirement.

Send resumes and references to the following email address: jen_ashlee83 @hotmail.com
ABA Therapist required in the Surrey (Fleetwood area) area to work with a girl in grade 5 who has ASD. Experience with children is required, as well as the ability to be fun, patient, calm and creative. Teaching will focus on emotional regulation, as well as social skills and some academics. Her interests include art, interactive board games, and making slime. Pay is commensurate with experience. Training will be provided under the guidance of our intern Jen Ashlee, and ABA consultant, Maria Sample (Turner).

Applicants must:

- be responsible and energetic
- be available for after school sessions during the school year twice per week, and times can be more flexible in the summer.
- experienced working with children, teaching or tutoring
- be at least 19 years old
- have a clear criminal record check
- have reliable transportation
- be available to attend team meetings
- make a minimum 12-month commitment

Autism Support Staff/Tutor Wanted:

Required in the Walnut Grove/Willoughby neighborhood of Langley to work with a 5-year-old girl who has Autism. She loves songs, my little pony and playing in her kitchen. We teach through play, so being silly and fun is a must! You should be able to work independently following guidance and direction of Behaviour Consultant Maria Sample (Turner) and Intern Jen Ashlee.

Hours are 4-6hr per week: in home sessions are 2-2.5hr long, hours can be flexible within these times Monday 930am-3pm, Tuesday 1-3pm, Wednesday 930am-3pm, Thursday 1-3pm

Pay is commensurate with experience. Training will be provided under the guidance of our ABA consultant, Maria Turner and intern Jen Ashlee.

Applicants must:

- Must be able to play, be creative and be silly as we will be using a play-based approach to teaching, doing all the components you would have in a preschool day (toy play, art, snack time, outside play, circle time, books etc.)
- Be responsible and energetic
- Experience working with young children, teaching or tutoring required.
- Be at least 19 years old
- Have a clear criminal record check
- Have reliable transportation (although the family with transport the student to and from preschool)
- Be available to attend team meetings
- Make a minimum 12-month commitment (or disclose the time commitment you can make at interview)
- Understanding of Spanish/French would be an asset but is not a requirement.
- Family would prefer non-smokers, as the child has complex health needs
