Richmond Sylvan Learning is looking for a part-time high school math instructor!

Sylvan Learning is the industry leader in providing supplemental education to children in pre-kindergarten through grade 12. With 30 years of experience, we provide positive educational results every step of the way. With each individual child’s needs in mind, our expert approach is personal and prescriptive. Our talented employees experience daily the impact they make. We are an organization that prides itself in instilling knowledge and confidence in each child we work with. Join us, and be inspired!

Sylvan is seeking a senior high school math and science instructor at Richmond location. As a tutor at Sylvan, your responsibility is teaching only. You do not have to prepare lesson plans or report cards. You will be trained on how to deliver the proven Sylvan curriculum and given the tools to teach in a 3:1 setting. Experience in teaching/ tutoring pre-calculus and calculus is mandatory. We have instruction six days a week and are currently looking for tutors on Monday to Thursday afternoons (starting at 4:00 pm).

As a successful Sylvan senior high school math tutor, you need to:

- have a completed bachelor's degree in math or engineering
- have at least two years of high school math tutoring experience
- have thorough understanding of the BC math curriculum (especially grade 10 to 12)
- be fluent in English
- be passionate about helping students to be successful in school and in life
- be detail-oriented when evaluating and documenting student progress
- communicate student needs to the education manager on a regular basis

Previous Sylvan Experience is an asset but not mandatory.

Please email us your RESUME and COVER LETTER.
No phone calls, please. Thank you!
