Behavior Interventionist Wanted – Burnaby Metrotown Area

We are looking to hire the third BI to our team to provide one-on-one support in a home-based setting for our nine-year old and twelve-year old sons who are diagnosed with high-functioning in the autism spectrum.

The Behaviour Interventionist will work alongside with the Behaviour Consultant and the speech language pathologist to help run programs for academic, social, language and life skills.

Job Qualifications:

- Must be a punctual, responsible, dedicated individual who is friendly, motivated, and a high level of patience.
- No experience is needed.
- Must commit one year at least.
- English fluency required.
- Must have an active email account/text and a daily access to the Internet.
- Clear Criminal Background Check.

To Apply:

Please send your resume and a cover letter stating your:

- Relevant experience
- Relevant education
- Relevant computer skills
- Whether you have a reliable vehicle, which is not a must but an asset.

Benefits

- You will be provided with high quality training and support from qualified therapists
- Potential for BCBA or BCABA supervision or CSHHPBC supervision or COTBC supervision
- Includes training workshops in behavioural intervention strategies
- Potential for EA III position in school board on your completion of required hours of working
- Salary range $12-$14/hourly
- Convenient location, in Metrotown area, 2 minutes walking distance from the bus stop

If you are interested in the position, please send your resume.
