We invite Faculty of Education students to apply for paid part-time positions to work in a unique and exciting intercultural setting at SFU.

Starting in July, the Faculty of Education’s Office of International Education will be hosting three short-term professional development programs for bilingual school leaders from Spain, and English language secondary school teachers from Taiwan and Japan.

Cultural Assistants (CAs) work closely with the Program team to assist in the preparation and delivery of orientations and presentations, and accompany the groups to scheduled off-campus activities and events as a program liaison. The CAs are expected to attend orientation and debriefing sessions, and maintain regular contact with the Program team.
