**English Teacher**

**About the Role**
Currently, we are looking for an English Teacher to work with our high school students or adult students who need support in their high school English classes.

You are a charming, enthusiastic and dedicated individual that loves teaching English, both written and oral. You should also be somewhat familiar with the BC English Curriculum. Since we are all about learning for students, you should be great in interacting with students! You must have done (and love) English or Speech related tutoring or teaching, and have a great passion for helping young students do better! We would love it if you have ESL, IELTS, or CELPIP teaching experience; TESOL, or a teaching certification would be fantastic!

**About StudyPugLearning.com**
StudyPug Learning is an innovator in the education space. Our team has provided academic support for thousands of students here in Vancouver in the last two decades. In addition, our online learning platform, StudyPug.com has provided tens of thousands of students globally with great math, physics, chemistry video tutorials, instant practice and a dynamic study plan to fit their study needs.

We are a small, creative and fast-moving team, designing innovative products and educational programs by responding quickly to feedback from our students, their parents, and educators.
