Red leaves Education Introduction

R.L. Education Company is an independent consulting company for gifted students from K-graduate student. The company was founded in 2014 as a pioneering
education consulting company that offer exclusive membership and special training programs.

R.L. Education strives to help young people achieve their potential not only intellectually, but also artistically, athletically, and morally, so that they may lead responsible and fulfilling lives. We teach a wide range of courses, designed to help create well rounded citizens with a rich understanding of and love for the world around them. While there are many different educational groups the world over, none of them offer the professionalism and quality of Red Leaves. Our team of expert teachers, small class sizes, wide range of classes, and in-house materials ensure that all of our classes are both engaging and informative! Presently, we offer public speaking, reading and writing, debating, creative writing classes, math, SAT, drama, French, golf, ESL/ELL, school subjects.
