When greeting others, **instead** of saying... ladies, gentlemen, ma’am, sir, girls, guys, and the like, please consider using **gender neutral** language. Here are some options:

"Thanks friends, have a wonderful night."

"Good morning, folks!"

"Hi everyone!"

"Can I get you all something?"

"...and for you?"

**Why?** Shifting to gender neutral language respects and acknowledges the gender identities of all people and removes assumption. **Be mindful of language.**
