Walk down the Stairs from the Pond then across Convocation Mall and past the Library. When you come to the small water fountain just past the Library, there will be stairs heading down toward the Transportation Centre. Go down these stairs one flight then turn to your left and walk about 10 steps till you see the long walkway to your right. The entrance to [math west] will be down this walkway on your right, past the CJSF Radio Station.

For reference: [math west] is located beside the CJSF Radio Station, 1 level below Starbucks & 1 level above Campus Information/Transportation Centre.
