Journées Combinatoires Franco-Vancouvéroises

July 11 - 12, 2016 11 - 12 juillet, 2016

VANCOUVER BC CANADA

Cliquez ici pour accéder à la version française.

This two day satellite meeting to FPSAC celebrates the growing collaboration between France and Vancouver in the area of combinatorics. To honour this collaboration, the talks will be in French, and there will be a wine and cheese reception sponsored by the Consulat général de France à Vancouver on July 11.

The poster is available: here!

Invited Speakers

Jean-Paul Allouche (CNRS/Université Pierre et Marie Curie, France)
Olivier Bernardi (Brandeis University, USA)
Sylvie Corteeel (cancellation) (CNRS/Université Paris-Diderot, France)
Vincent Pilaud (CNRS/Ecole Polytechnique, France)
Franco V. Saliola (LaCIM, Université du Québec à Montréal, Canada)

Topics

Combinatorics: applied, algebraic, enumerative, analytic, geometric, history

Program

It is available here.
