Faculty Council,
c/o Dr. P. D. McTaggart-Cowan,
President,
Simon Fraser University,
Burnaby 2, B. C.

Gentlemen:

Due to lack of communication between faculty, staff, and administration on the one hand and students on the other, certain students have violated rules and regulations of the University which they had no idea existed until after the infraction had occurred.

Therefore, we strongly urge all academic and administrative departments to require of themselves that all rules and regulations, newly formulated or changed, be posted conspicuously on all notice boards and be published in an advertisement in "The Peak".

Yours truly,

John Mynott, Ombudsman
Simon Fraser University Student Society
