DECISIONS FROM THE SENATE

1. The remainder of the course programmes have been approved for the year and the programme of courses will be released shortly in the calendar for the Summer, Fall and Spring semesters.
2. The Senate considered the relationship of SFU with regional colleges. It was agreed that SFU would co-operate wholeheartedly and the following resolution was adopted. . . . "A student who chooses courses at a Regional College that are appropriate to his academic objective at university and who obtains adequate standing in them, will be accepted for further studies at the University under the same conditions that apply to a student who has taken all his post-secondary studies at the University."
