

Elections

Paper 3B

SM 7/11/66

To: All Members of Faculty

From: Registrar

Subject: Senate Elections

Date: October 19, 1966

File: 5-A-5

It has been drawn to my attention by members of faculty that the procedure for election of Joint Faculty representatives currently underway is improper. On checking the Universities Act I agree wholeheartedly.

New ballots will be prepared immediately, the nominees will be given an opportunity to accept or decline the nomination and if they accept will be asked to supply biographical material to be distributed on or before October 28, 1966. New ballots (green) will be distributed October 31, 1966 and will be due November 15, 1966. The new Senators will take office December 1, 1966.

The old ballots (pink) are being returned to those who have sent them to me.
