Paper 3F

To: Senate

From: Secretary of Senate

Subject: Arrangements for  
Senate Meetings

25 January, 1967

5-A-5

It has been suggested that when the agenda is judged to be a long one, Senate consider the desirability of breaking for dinner at 5.30 or so rather than meeting for lunch prior to the meeting.

Senate could discuss this matter at the February 6, 1967 meeting.
