6. Student Records and Secondary Schools.

The Senate approved a policy of requesting students to sign a release form authorising the Registrar to send the student's record back to the high school from which he graduated. The University has been requested on a number of occasions to send the records back automatically but the recommendation of the Registrar and of the Student Society Executive was that only those records which had been released by the individual student be sent to the high schools.

7. Candidate for M.A. Degree.

The Senate awarded the degree of Master of Arts to G. Mercer, PSA Department.

8. Candidates for M.Sc. Degree.

The Senate awarded the Degree of Master of Science to Choy-Leung Hew in Chemistry and D.G. Wallen in Biology.

9. Regulations regarding Graduate Theses and Dissertations.

The regulations regarding Graduate Theses and Dissertations which had been recommended by the Senate Committee on Graduate Studies were approved by Senate.

Copies of these regulations may be obtained from the Registrar or the Librarian.

10. Law Enforcement Officers on Campus.

The attention of Senate was drawn to statements in the student newspaper and the City Press concerning the questioning by alleged law enforcement officers of a student on campus.

The Senate decided that the matter should be treated as outlined in the Universities Act, Section 61(2), which clearly gives the right of any student who feels himself aggrieved to make a complaint through the President to the proper governing body.

11. Next Meeting.

The next meeting of Senate will be held on Monday, April 3, 1967, at 1.30 P.M.
