Mr. C.M. McDougall,
Chairman,
Service for Admission to College and University,
Registrar's Office,
McGill University,
Montreal, P.Q.

Dear Mr. McDougall,

I wonder if the Directors of S.A.C.U. are planning to issue a report on the activities of the Service to date. There is a fair amount of interest in the Service at Simon Fraser University, inasmuch as the B.C. Provincial Department of Education seems to be retreating from the central examinations system. If the Service has anything to report I would be very pleased to hear from you as I feel I should be reporting to our Senate on this matter.

Yours sincerely,

D.P. Robertson
Registrar
