MEMORANDUM

Paper S-31

SM 7/8/67

To: Registrar

From: Professor T.B. Bottomore

Head, PSA. Department

Date: 14th July, 1967

Subject:

Due to an oversight PSA.172-3 Anthropological Concepts is incorrectly printed in the Calendar as PSA.171-3. Since the course, Traditional Economy and Technology, was offered in the summer and fall 1966 and spring 1967 semesters as PSA.171-3, the course now being offered, Anthropological Concepts, cannot have the same course number PSA.171-3.

It was decided to change Anthropological Concepts to PSA.172-3, but appears in the Calendar as PSA.171-3. We would now like to request that the course Anthropological Concepts listed as PSA.172-3.
