Paper S-32

*Nominating Committee
Procedure*

To: Senate

Subject: Senate Committees

The Rules of Procedure of Senate call for changes in membership of Senate Committees effective October 1 each year.

The terms of a number of members of Senate Committees expire at the end of September, 1967.

It has been suggested that Senate appoint a nominating committee of three of its members plus the Registrar as non-voting secretary to bring nominations for these positions to the September meeting of Senate.
