SIMON FRASER UNIVERSITY

Paper S-54

MEMORANDUM

SM 2/10/67

To Mr. D.P. Robertson

From Dr. J.F. Ellis

Secretary, Senate

Acting Dean of Education

Subject Calendar Change

Date September 21, 1967

14733-PC

The Department of Professional Foundations, with the approval of the Faculty of Education, wishes to make the following calendar change:

Present listing: PF450-3 Seminar in Professional Problems (0-3-0)

Proposed listing: PF450-5 Seminar in Professional Problems (0-5-0)

This proposed change will bring the unit value of PF450 into line with the unit value of the majority of the 400 level courses. The several persons who taught PF450 during the summer semester this year, as well as the 150 students who took the course, found the 3 semester hour allotment completely inadequate.

We request immediate approval of this change rather than having it considered within the other calendar changes that will shortly be coming before Senate. Immediate consideration by Senate is necessary in order that plans may be made for the Education 404 program in the spring semester of 1968.
