

SIMON FRASER UNIVERSITY

MEMORANDUM

Paper S-112

The Registrar,
Secretary to Senate.
Subject Regulations for new student residences

S. M. 4/3/68

From Lolita Wilson,
Dean of Student Affairs.

Date 23rd February, 1968.

A Committee will be meeting to consider the operating rules for student apartment residences. The details of these rules will need some time to work out as we shall have to get information concerning the actual structure of the residences, the needs of the students, how any regulations which are suggested can be related to the well-being of the student, etc. It will not be possible to have a complete report for this meeting of Senate, and I would prefer to wait until the next meeting.
