Admissions
S 181

WHEREAS Senate strongly endorses the principle of freest possible interchange of students between post-secondary education institutions, and;
WHEREAS there is evidence of inequalities in the application of existing regulations on admissions and;
WHEREAS there are allegations that non-academic criteria have been applied in admissions.

BE IT RESOLVED THAT

1. All students from the provincial post-secondary education institutions be admitted to Simon Fraser University upon completion of a semester/year with a Grade Point Average of 2.0 or its equivalent.
2. Transfer credits will be, at the discretion of the department concerned and Senate, acceptable for advanced standing in all departments, subject to full consideration of representation by the student transferring.
3. Non-academic criteria not be applied to refuse admission to any applicant.
4. Equivalent academic criteria be applied for all applicants except for out-of-province applicants in which case no criteria be applied that are higher than those applied by the University of British Columbia.
5. The maximum transfer credit be 90 semester hours.
6. Senate abolish the Senate Sub-committee on Undergraduate Admissions.
7. Senate establish a new Admissions Board composed of three students to be identified by the S. F. S. S. and three faculty identified at large by Joint Faculty.
8. The Admissions Board be responsible to Senate but that Senate agree to ratify all unanimous decisions of the Board.
9. The Board formulate, publish and oversee the application entrance criteria within the guidelines established in this Motion.
10. New entrance regulations be retro-active.
