

SIMON FRASER UNIVERSITY

S 215a

MEMORANDUM

Mr. H. M. Evans

From B. L. Funt

Registrar and Secretary of Senate

Dean of Science

Subject

Date April 16, 1969

Senate paper S 215 was referred to the Faculty of Science at its meeting of April 14th. I am pleased to report that this paper was considered and received unanimous endorsement from the Faculty of Science. The actual motion passed reads as follows:

THAT the Faculty endorse the principles incorporated in document S 215.

A total of thirty-seven members were present at the Faculty meeting of April 14th.
