

SIMON FRASER UNIVERSITY

MEMORANDUM

S. 452

To..... Mr. H. Evans

..... Secretary to Senate

Subject..... Prerequisites for Math 443-4

From..... B. L. Funt

..... Dean of Science

Date..... November 19, 1970
..... Our File F-8-1

The enclosed item from the Department of Mathematics was approved by the Faculty of Science on November 19, 1970.

It is intended for inclusion in the 1971-72 Calendar and is therefore submitted to Senate for its early approval.

B. L. Funt

PREREQUISITE FOR MATH 443-4, COMBINATORIAL THEORY

From: Mathematics 221-2 or 241-2 and
Mathematics 214-3 or 251-3

To: Mathematics 432-4 to precede or
be taken concurrently

Reason: In order to ensure the student have
some exposure to permutation groups
in order to do combinatorial theory.

Approved by the Faculty of Science Undergraduate Curriculum
Committee at its meeting of November 12, 1970.

PASSED by the Faculty of Science, November 19, 1970

SIMON FRASER UNIVERSITY

MEMORANDUM

To..... Dr. B. L. Funt, Chairman
..... Undergraduate Studies Committee
..... Faculty of Science

From..... Dr. D. L. Sharma
..... Mathematics Department

Subject..... PREREQUISITE FOR MATH 443-4

Date..... November 9, 1970

The Department requests permission to change the prerequisite for Mathematics 443-4, Combinatorial Theory, from 'Mathematics 221-2 or 241-2, and Mathematics 214-3 or 251-3' to 'Mathematics 432-4 should precede or be taken concurrently.'. The reason for this request is that students should have some exposure to permutation groups in order to do combinatorial theory.

D. L. Sharma
