From..... Academic Planning Committee

Subject..... Organization and Implementation -
Canadian Studies Program (S.438)

Date..... December 23, 1970

At the December meeting of Senate, approval was given in principle to the establishment of a program in Canadian Studies. Because of deficiencies in the way in which the proposal for the establishment of the program was presented to Senate, action could not be taken on the organization and implementation aspects. For this reason, the proposal was referred back to the Academic Planning Committee for reconsideration with the objective of having the Committee bring back to Senate recommendations regarding the organization, administration and implementation aspects of the program. The recommendations of the Academic Planning Committee on these matters are set forth below:

MOTIONS

- Moved that:
1. Responsibility for the program rest in the Division of General Studies with its organization and administration reflecting the principles contained in Section 3A of Senate paper 424.
 2. The implementation date be May 1, 1971.
