SIMON FRASER UNIVERSITY

SCUS 74-69

MEMORANDUM

to Mr. Harry Evans

From S. Aronoff, Dean of Science S.A. y

Secretary of the Senate

Subject

Date 5 December 1974

It has become necessary, as the result of student scheduling of courses, to request that Chemistry 464-2, recently approved by Senate, be given in 75-2.

I suspect that it will be necessary to request permission of Senate for this purpose, and, assuming this need, am requesting that you place this as a motion on the Senate agenda at its next meeting.
