MEMORANDUM

To SENATE

From I. Mugridge

Assistant Vice-President, Academic

Subject Senate Appeals Board Chairman

Date 12th August, 1975

The present Chairman of the Senate Appeals Board, Mr. Michael Warsh, has indicated his wish to resign from that position with effect from the beginning of the Fall semester. In view of this, the Senate Appeals Board initiated a search for a successor by informing Deans, Department Chairmen and the Student Society and by placing an advertisement in The Peak. After the close of nominations, the Senate Appeals Board unanimously recommended that Mr. W.R. Makarchuk be its Chairman with effect from 1st September and forwarded this nomination to the Senate Undergraduate Admissions Board for ratification.

SUAB unanimously endorsed the nomination; and it is now forwarded to Senate for its information.
