## MEMORANDUM

To..... H. Evans  
..... Secretary of Senate  
Subject..... R. IRONSIDE MOTION RE FACULTY  
..... REQUIREMENTS

From..... S. Aronoff, Dean *S. Aronoff*  
..... Faculty of Science  
Date..... April 21, 1976

The Faculty of Science referred Mr. Ironside's motion regarding changes in the non-Science Faculty electives required of Science majors to the Faculty of Science Undergraduate Curriculum Committee. At its meeting of April 14, 1976, the Faculty of Science endorsed a motion passed by the Undergraduate Curriculum Committee as follows:

"That the Undergraduate Curriculum Committee of the Faculty of Science sees no merit in any change whatsoever to the existing regulation governing electives outside the Faculty."

The decision of the Faculty of Science is herewith forwarded to Senate.
