SIMON FRASER UNIVERSITY

SCUS 76-14

MEMORANDUM

To	H. Evans	From	S. Aronoff, Dean <i>S. Aronoff</i>
	Secretary of SCUS		Faculty of Science
Subject	BICH 413-2 Pre-requisite Change	Date	April 21, 1976

The following motion was passed unopposed by the Faculty of Science at its meeting of April 14, 1976:

"That BICH 412-3, Enzymology Laboratory, be removed as a pre-requisite for BICH 413-2, Physical Biochemistry Laboratory, and replaced with a statement that students registering in BICH 413-2 must have completed their third year and be in good standing in any fourth year courses."

The rationale for this motion is that BICH 412 has little relation to BICH 413 and therefore need not be a pre-requisite. Also, students tend to put off taking BICH 413 until their last semester because of the funneling effect of the pre-requisites. This results in the 413 class being crowded.

This matter is herewith forwarded to SCUS for discussion.
