MEMORANDUM

To: SENATE

From: SENATE COMMITTEE ON UNDERGRADUATE
STUDIESSubject: NEW COURSE PROPOSAL: AME.001-3,
A Multi-disciplinary Introduction
to Africa and the Middle East

Date: JULY 20, 1976

Action taken by the Senate Committee on Undergraduate Studies at its meeting of July 13, 1976 gives rise to the following motion:

MOTION

That Senate approve, and recommend approval to the Board of Governors, Africa/Middle East Studies 001-3 - A Multi-disciplinary Introduction to Africa and the Middle East, as set forth in Paper S.76-90.

NOTE: It was observed that Africa/Middle East Studies is the least enrolled of the area studies minor programs and a question was raised regarding the scale of interest and allocation of resources. The Dean indicated that upper division seminars in Africa/Middle East Studies are reasonably enrolled and that the overall low enrolment may be ameliorated by the creation of a ^{high} ~~low~~ enrolment survey course such as AME. 001-3. The Committee was assured that the Department of History has been supportive of the course development and staffing, that mounting of this course would not militate against further development in other area studies programs, and that Africa/Middle East Studies represents an area of major concentration in SFU Library holdings.
