SIMON FRASER UNIVERSITY
New Graduate Course Proposal Form

CALENDAR INFORMATION:

Department: Kinesiology Department Course Number: 821
Title: Advanced Cardio-respiratory Physiology
Description: Detailed review of the current topics in cardio-vascular
and respiratory physiology in health and disease.
Credit Hours: 3 Vector: 3-0-0 Prerequisite(s) if any: _____
Kinesiology 405, 406 and 407

ENROLLMENT AND SCHEDULING:

Estimated Enrollment: 10 When will the course first be offered: January, 1977
How often will the course be offered: once every year

JUSTIFICATION:

This course will cover in detail the cardio-respiratory aspects of
human physiology which are now a part of Kinesiology 820-5.

It is not an entirely new course. The change decreases the number of credit
hours from 5 to 3 consistent with a reduction in the hours of meeting.

RESOURCES:

Which Faculty member will normally teach the course: E.W. Banister, J.B. Morrison
What are the budgetary implications of mounting the course: None

Are there sufficient Library resources (append details): Yes

Appended: a) Outline of the Course
b) An indication of the competence of the Faculty member to give the course.
c) Library resources

Approved: Departmental Graduate Studies Committee: M. B. Harrison Date: November 2nd 1976
Faculty Graduate Studies Committee: P. B. B. B. Date: Nov 3, 76
Faculty: _____ Date: _____
Senate Graduate Studies Committee: _____ Date: _____
Senate: _____ Date: _____

SIMON FRASER UNIVERSITY
New Graduate Course Proposal Form

CALENDAR INFORMATION:

Department: Kinesiology Course Number: 861
Title: Control Mechanisms in Human Physiology
Description: An intensive study of human neuro-muscular control and
Neuro-endocrine control phenomena
Credit Hours: 3 Vector: 3-0-0 Prerequisite(s) if any: Kinesiology 405, 406 and 407

ENROLLMENT AND SCHEDULING:

Estimated Enrollment: 10 When will the course first be offered: May, 1977
How often will the course be offered: once every year

JUSTIFICATION:

This is a modified course from Kinesiology 860-5 giving more emphasis
to selected topics in this field of study. It reduces the credit hours
from 5 to 3 consistent with a reduction of the hours of meeting.

RESOURCES:

Which Faculty member will normally teach the course: E.W. Banister, T.W. Calvert,
A.J. Davison, N.M.G. Bhakthan
What are the budgetary implications of mounting the course: None

Are there sufficient Library resources (append details): Yes

Appended: a) Outline of the Course
b) An indication of the competence of the Faculty member to give the course.
c) Library resources

Approved: Departmental Graduate Studies Committee: M.S. Bhakthan Date: November 2nd 1976
Faculty Graduate Studies Committee: R. B. ... Date: ...
Faculty: _____ Date: _____
Senate Graduate Studies Committee: _____ Date: _____
Senate: _____ Date: _____

CHANGES IN GRADUATE REGULATIONS

KINESIOLOGY

DELETE:

The minimum requirements for the M.Sc.(Kin.) are 18 semester hours of graduate courses and a thesis. At least 9 credit hours will be selected from the graduate course offerings in Kinesiology. These and courses in ancillary areas will be chosen in consultation with the candidate's supervisory committee. For further information and regulations, refer to General Regulations section.

ADD:

The normal minimum requirements for the M.Sc.(Kin.) are 18 semester hours of graduate courses and a thesis. At least 9 credit hours will be selected from the graduate course offerings in Kinesiology. These and courses in ancillary areas will be chosen in consultation with the candidate's supervisory committee. On the recommendation of the Supervisory Committee and with prior approval of the DGSC, a student may be permitted to include up to 6 credit hours of upper division undergraduate courses as part of the 18 credit hours required. For further information and regulations, refer to General Regulations section.

Approved by the DG.S.C.
