MEMORANDUM

To Senate

From Senate Committee on Undergraduate
Studies

Subject New Course Proposals - ITAL
100-3 & ITAL 101-3, Introductory
Italian I & II

Date October 21, 1977

Action taken by the Senate Committee on Undergraduate Studies at its meeting of October 18, 1977 gives rise to the following motion:

MOTION

"That the new course proposals for ITAL 100-3, Introductory Italian I, and ITAL 101-3, Introductory Italian II, as set forth in S. 77-126, be approved and recommended to the Board of Governors for approval."

Note - these courses were previously approved for a one-time offering and were mounted in the Spring and Summer semesters of 1977 respectively. ITAL 100-3 enrolled approximately 30 students with 21 remaining in the course to the end of the semester and ITAL 101-3 enrolled approximately 15 with 10 remaining throughout.

SCUS did not approve a waiver of the time lag requirement and it is expected that, should the courses be approved, they will be mounted late afternoon or evening in the Fall semester, 1978 and the Spring semester 1979.

MEMORANDUM

To..... Mr. H. Evans	From..... Wyn Roberts
..... Secretary, SCUS	 Chairman, Faculty of Arts Curriculum Committee
Subject..... New Course Proposals--Italian 100 and Italian 101.	Date..... October 3, 1977

The Faculty of Arts Curriculum Committee at its meeting of September 29, 1977 passed Italian 100-3 and Italian 101-3 for a one time only offering in Spring 1978 and Summer 1978. These courses were offered by the Department in the Spring and the Summer of 1977. As these are Language Courses in Italian, and no courses in the language are offered in the University, I have not sent them to other faculties for overlap consideration. Please place them on the agenda of the next S.C.U.S. meeting.

Thank you.

STATEMENT REGARDING ITALIAN COURSE OFFERINGS

The two Italian courses which have been given on a temporary basis, with the agreement of university authorities, have met with evident success among our students. The enrolment figures, indicated below, show that we had enough students to open two groups in Spring '77 and I must mention that some students could not be admitted to the course because there were already too many students in each group. The Summer course which was a continuation of the Spring course shows a lower enrolment figure because of the time of year. A more significant number of students would have registered for Fall semester.

It is interesting to note that our initiative has received the best possible support from the Italian community in Vancouver, particularly from the Italian Consul General who provided us with teaching materials and helped us find a Sessional Lecturer to teach the course. From my previous discussions with the Italian Consul General, there is a possibility that the Italian Consulate is willing to help finance this project and assist the University to pay the teacher's salary. It has been clearly stated that whatever financial help the Italian authorities would provide us with, the selection and appointment of the teacher would remain our responsibility.

I would also like to point out that during July 1977, Dr. Lincoln, who was Acting Chairman of the Department at the time, spoke to Dean Blaney and was advised that Continuing Studies would have no objection to financing another offering of Italian 100 and 101 as long as the necessary approval to offer Italian again was received from university authorities.
